

Music

Taru Fine Arts, under the aegis of Dr.Sanathi Saravanan, will encourage, teach and mentor students in music. Various competitions and events related to music will be organized to promote music amongst people of all ages and to motivate them to indulge in a beautiful hobby.

Other Activities

Taru Fine Arts will also organise competitions and workshops for storytelling and poetry writing as well. With a solid foundation, Dr.Sanathi Saravanan will share her expertise and knowledge to participants.

Introduction to Taru Fine Arts

Art is nothing but a reflection of life or one's perspective of life. Taru Financial Arts is an ambitious project of Dr.Santhi Saravanan. After freelancing as a professional artist, she decided to establish Taru Fine Arts to channelize her research and practice, and to make many more people a part of her journey. Dr.Santhi Saravanan will share her experiences in the form of blogs, competitions and workshops. Mr.Saravanan is one of the two directors of Taru Fine Arts.

Events

Taru Fine Arts will consistently host events to promote cultural arts among people. These competitions will have jury and algorithm based judgements and will be headed by Dr.Santhi Saravanan. E-certificate programmes will also be organised in addition to the ones mentioned.

Painting

Taru Fine Arts has a lot of interesting activities planned that are fun in nature and aimed at entertaining and engaging people of all ages, and ignite their passion for art, while at the same time, learning. Our forum will host competitions, events and workshops.
